## Report of Principal and School Improvement Council

The mission of Kingsbury Elementary School is to provide the highest quality education and establish a sound academic and moral foundation by providing innovative and challenging learning experiences in a safe, supportive, and culturally diverse environment. To that end, we strive to maximize the potential of each child by building strong relationships, providing quality instruction, and setting high expectations. Our success is a testament to the hard work of our staff, parents, and students.

The 2013-2014 school year was filled with achievements and opportunities. Kingsbury was recognized as a Reward for Performance school. This award is given to the highest performing Title I schools. Qualifying schools must have an A or B on the federal report card in the two most recent years, a free and reduced lunch population greater than 50%, and no significant achievement gaps. Our school also received the EPA Energy Star Award. Schools who earn this award use 35% less energy and generate 35% fewer greenhouse emissions than similar buildings across the nation. Morning and afternoon intervention programs were established to assist our struggling learners using small group and computerized instruction. Students experienced significant progress in ELA and Math through participation in these programs. Using our literacy interventionist and guided reading practices, the number of first graders reading on or above grade level grew from 46% to 79%. Our School Improvement Council, in partnerships with the school's PBIS team, provided a number of new positive behavior incentives for students. Our Mentoring Program also increased with 40 new mentors enrolling. Through these combined efforts, discipline referrals were reduced by 35% compared to the previous year.

Our students and staff continue to participate in numerous service learning projects through Pennies for Patients, American Heart Association, Relay for Life, SPCA and "Shower Shaw With Cookies" to name a few. The Principal's Council organized a toy drive in December and a canned food drive in May. The group also participated in school beautification projects to enhance the appearance of our campus.

Kingsbury's faculty continues to earn accolades. Our art teacher, Mr. Sylvester Hickmon, was selected as an artist in residence to guide our district students in the design of South Carolina's National Christmas tree ornaments. He also attended the lighting of the National Christmas Tree in Washington, DC. At Kingsbury, our teachers find creative ways to motivate our students and make learning come to life. A strong sense of school community is fostered through events such as our Character Parade, Read Across America, and the "Polar Express" trip. Staff and students work hard to shape a positive school culture where all students can thrive.

Mike Skinner, School Improvement Council Chair

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>77.8</b>
<b>Overall Grade Conversion</b>	<b>C</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Kingsbury Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
